REFERENCE LETTER

We have been working with Sun Spree Holidays as our Travel partner since September 2000. They have organised for us business trips, hotel bookings and corporate events, as well as have given to my colleagues and me the relevant travel information and professional advice. Through the course of our mutual cooperation they have shown strict professionalism and correctness in all the services they have provided to our firm.

With this letter I would like to recommend Sun Spree Holidays as a reliable and correct partner with whom we are hoping to continue working in the future.

Sincerely,

Mina Peeva  
HR & Training Coordinator
